

DANIEL HARRIGAN, MAYOR

Proclamation

To The People of Akron:

Whereas: Despite advances in medical technology and research, men continue to live an average of five years less than women, with Native American and African-American men having the lowest life expectancy; and

Whereas: Educating the public and health care providers about the importance of a healthy lifestyle and early detection of male health problems will result in reducing rates of mortality from disease. Men who are educated about the value that preventative health care can play in prolonging their lifespan and their role as productive family members will be more likely to participate in health screenings; and

Whereas: Fathers who stay connected to their children and maintain a healthy lifestyle are role models for their children and have happier, healthier children; and

Whereas: Men's Health Network worked with Congress to develop a national men's health awareness period as a special campaign to help educate men, boys, and their families about the importance of positive health attitudes and preventative health practices; and

Whereas: The Men's Health Month website has been established at: www.MensHealthMonth.org and features resources, proclamations and information about awareness events and activities including Wear Blue Day: www.WearBlueDay.com ; and

Whereas: Men's Health Month will focus on a broad range of men's health issues including heart disease, mental health, diabetes and prostate, testicular and colon cancer.

Now, Therefore: I, Daniel Horrigan, Mayor of the City of Akron, Ohio, do hereby proclaim the month of June, 2022, as:

“MEN'S HEALTH MONTH”

in the City of Akron and encourage all citizens to pursue preventative health practices and early detection efforts throughout the year.

In Witness Whereof: I have hereunto set my hand and caused the Seal of the City of Akron to be affixed hereto this 5th day of May 2022.

Dan Horrigan
Mayor
City of Akron
