

Men's Health Month

June 2022

Proclamation

Whereas, despite advances in medical technology and research, men continue to live an average of five years less than women, with Native American and African American men having the lowest life expectancy; and

Whereas, COVID-19 variants continue to spread across the country, with the Centers for Disease Control reporting that males are more likely to die from this pandemic; and

Whereas, encouraging safe behaviors, including social distancing, wearing masks and being vaccinated will help stop the spread of COVID-19; and

Whereas, educating the public and health care providers about the importance of a healthy lifestyle and early detection of male health problems will result in reducing rates of mortality from disease; and

Whereas, men who are educated about the value that preventive health care can play in prolonging their lifespan and their role as productive family members will be more likely to participate in health screenings; and

Whereas, fathers who stay connected to their children and maintain a healthy lifestyle are role models for their children and have happier, healthier children; and

Whereas, Men's Health Network worked with Congress to develop a national men's health awareness period as a special campaign to help educate men, boys and their families about the importance of positive health attitudes and preventative health practices; and

Whereas, the Men's Health Month web site has been established at www.MensHealthMonth.org and features resources, proclamations and information about awareness events and activities, including Wear Blue for Men's Health (www.WearBlueForMensHealth.com); and

Whereas, San Patricio County Men's Health Month will focus on a broad range of men's health issues, including heart disease, mental health, diabetes, and lung, prostate, testicular and colon cancer; and

Whereas, the citizens of this county are encouraged to increase awareness of the importance of a healthy lifestyle, regular exercise and medical check-ups.

Now, therefore, we, the Commissioners Court of San Patricio County, do hereby proclaim June 2022 as Men's Health Month, and encourage all our citizens to pursue preventative health practices and early detection efforts throughout the year.

Signed May 31, 2022.

Honorable Judge David R. Krebs

Sonia Lopez, Commissioner Precinct 1

Gary W. Moore, Commissioner Precinct 2

Lilly Wilkinson, Commissioner Precinct 3
