RECOGNIZING  
MEN'S HEALTH WEEK  
FROM JUNE 10 TO 16, 2024

**WHEREAS**, Men's Health Month is part of an ongoing international effort to educate men, boys, and their families about receiving regular disease prevention screenings and living healthier lifestyles; and

**WHEREAS**, Nationwide, life expectancy for men averages five years fewer than that of women, with men experiencing higher rates of health problems such as diabetes, obesity, cancer, heart disease, and premature mortality; and

**WHEREAS**, The Covid-19 pandemic has had a devastating impact on men's health in the United States, dropping men's life expectancy by two years; and

**WHEREAS**, Men's Health Month is a time for the public to recognize the mental and physical health needs of men and boys while encouraging fathers to be role models for their children through preventive health screenings, health living and seeking needed help; and

**WHEREAS**, The growing epidemic of suicide and substance abuse requires special effort to raise awareness of unrecognized and undiagnosed depression and mental stress in boys and men; and

**WHEREAS**, The centerpiece of Men's Health Month is National Men's Health Week, a special awareness period passed by Congress and signed into law by President Bill Clinton on May 31, 1994.

**BE IT RESOLVED**, the City Council, on behalf of the City and County of Honolulu, hereby congratulates the Men's Health Network on the occasion of **Men's Health Week** from June 10 to 16, 2024. The Council wishes them the very best for continued success for many years to come.
