

# Proclamation

Whereas, Men's Health Month is part of an ongoing international effort to educate men, boys, and their families about receiving regular disease prevention screenings and living healthier lifestyles; and,

Whereas, nationwide, life expectancy for men averages five years less than that of women, with men experiencing higher rates of health problems such as diabetes, obesity, cancer, heart disease, and premature mortality; and,

Whereas, Men's Health Network is recognized for its esteem in the creation, maintenance, and championing of national efforts of the officially distinguished Men's Health Month and Men's Health Week, as established in 1994; and,

Whereas, Men's Health Month is a time for the public to recognize the mental and physical health needs of men and boys while encouraging fathers to be role models for their children through preventative health screenings, healthy living, and seeking needed help; and,

Whereas, the growing epidemic of suicide and substance abuse requires special effort to raise awareness of unrecognized and undiagnosed depression and mental stress in boys and men; and,

Whereas, the centerpiece of Men's Health Month is National Men's Health Week, a special awareness period passed by Congress and signed into law by President Bill Clinton on May 31, 1994, and officially facilitated yearly by the efforts of Men's Health Network.

NOW, THEREFORE, may it be known that I, Dan Devine, Mayor of the City of West Allis, State of Wisconsin, do hereby proclaim

June 9-15, 2025

Men's Health Week

Signed

Mayor Dan Devine
