PROCLAMATION

Men's Health Week
Randolph County Commission
June 10-16, 2025

WHEREAS, despite advances in medical technology and research, men continue to live an average of five years less than women, and die at higher rates from the leading causes of death, including heart disease, cancer, and unintentional injuries; and

WHEREAS, significant disparities in men's health exist among racial and ethnic minority populations and underserved communities; and

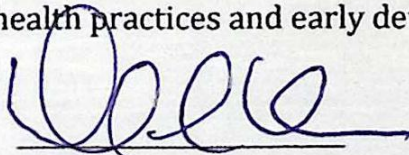

WHEREAS, educating the public and health care providers about the importance of a healthy lifestyle and early detection of male health problems can result in reducing rates of mortality and illness among men and boys; and

WHEREAS, men who are informed about the value of preventive health practices and early detection are more likely to participate in health screenings, seek medical advice, and maintain healthier lifestyles; and

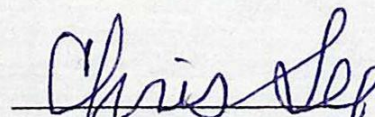

WHEREAS, Men's Health Week is celebrated each year as the week leading up to and including Father's Day, and is intended to raise awareness of preventable health problems and encourage early detection and treatment of disease among men and boys; and

WHEREAS, the Randolph County Commission recognizes the importance of promoting healthy behaviors and health outcomes among all citizens and encourages efforts to improve the quality of life for men and their families;

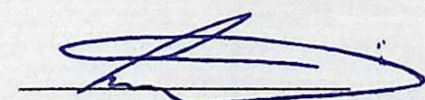

NOW, THEREFORE, BE IT RESOLVED, that the Randolph County Commission does hereby proclaim the week of June 10 through June 16, 2025, as: Men's Health Week in Randolph County, West Virginia, and encourages all citizens to pursue preventive health practices and early detection efforts throughout the year.
